

PRE-COUNCIL MEETING

Mayor's Conference Room
Municipal Building
Monday, January 4, 2016
6:30 p.m.

MAYOR: STEPHEN J. GALLIHER

MAYOR PRO-TEM: JO LYNN TURLEY

Work Session – 6:30 p.m.

1. Presentation – Scott Joplin Foundation: Annual Report

Committee Meetings – Immediately following work session

PUBLIC SAFETY COMMITTEE
Police and Fire

Russell Driskell, Chair
Vicky Collins, Vice Chair

PUBLIC WORKS COMMITTEE
Public Works, Water Pollution Control,
Community Development, Water, Parks,
Airport, Cemeteries and Community Center

Tolbert Rowe, Chair
Don Meier, Vice Chair

1. Review Proposal and Ordinance approving and accepting an agreement by and between the City of Sedalia, Missouri and Davey Resource Group for a tree inventory of approximately 1,897 City right-of-way trees.
2. Review Ordinance repealing Ordinance Number 10383 in its entirety which authorized the acceptance of a quit claim deed by the City of Sedalia, Missouri from the County of Pettis, Missouri for sections of Main Street and Oak Grove Lane and the acceptance of said streets for city maintenance.

FINANCE/ADMINISTRATION COMMITTEE
Administrative, Library and Hospital

James Cunningham, Chair
Bonita Nash, Vice Chair

IF YOU HAVE SPECIAL NEEDS, WHICH REQUIRE ACCOMMODATION, PLEASE NOTIFY THE CITY CLERK'S OFFICE. ACCOMMODATIONS WILL BE MADE FOR YOUR NEEDS.

CITY COUNCIL MEETING AGENDA

City Council Chambers
Municipal Building
Monday, January 4, 2016
7:00 p.m.

A. SILENT PRAYER & PLEDGE OF ALLEGIANCE

B. ROLL CALL

C. SPECIAL AWARDS

2015 Christmas Lighting Contest Winners

- 1st Place – Darrell Dodson and Elwanda Tanner – 901 E Broadway
- 2nd Place – John and Susan Malone – 3302 Southwest Boulevard
- 3rd Place – Charles and Bev Gerke – 322 E 14th

I. MINUTES

1. Pre-Council Meeting December 21, 2015
2. Regular Council Meeting December 21, 2015

II. REPORT OF SPECIAL BOARDS, COMMISSIONS AND COMMITTEES

III. ROLL CALL OF STANDING COMMITTEES

- A. PUBLIC SAFETY – Councilmember Russell Driskell
- B. PUBLIC WORKS – Councilmember Tolbert Rowe
1. Award proposal for tree inventory of 1,897 street right-of-way trees
- C. FINANCE / ADMINISTRATION – Councilmember James Cunningham

V. NEW BUSINESS

A. ORDINANCES AND RESOLUTIONS

- Approving and accepting an agreement by and between the City of Sedalia, Missouri and Davey Resource Group for a tree inventory of approximately 1,897 City right-of-way trees
- Repealing Ordinance Number 10383 in its entirety which authorized the acceptance of a quit claim deed by the City of Sedalia, Missouri from the County of Pettis, Missouri for sections of Main Street and Oak Grove Lane and the acceptance of said streets for city maintenance

B. APPOINTMENTS

C. LIQUOR LICENSES

Renewals:

- *Austin Craddock dba Bandana's Bar-B-Q, 2909 W Broadway, 5% Beer/Wine, \$75
- *Stahon Enterprises LLC dba Fitter's 5th Street Pub, 500 S Ohio, Liquor by Drink, \$300

D. APPROVAL OF DEPARTMENT BILLS

E. MISCELLANEOUS ITEMS FROM MAYOR, CITY COUNCIL AND CITY ADMINISTRATOR

F. GOOD AND WELFARE

G. ADJOURN

IF YOU HAVE SPECIAL NEEDS, WHICH REQUIRE ACCOMMODATION, PLEASE NOTIFY THE CITY CLERK'S OFFICE. ACCOMMODATIONS WILL BE MADE FOR YOUR NEEDS.

OFFICE OF THE CITY ADMINISTRATOR

To: Honorable Mayor Stephen Galliher & City Council Members
From: Gary Edwards, City Administrator
Re: Agenda items for City Council meeting on Monday, January 4, 2016

This meeting begins at 6:30 PM

Presentations:

1. Scott Joplin Foundation – Annual Report

Public Safety Committee:

1. No Items

Public Works Committee:

1. Review a proposal and ordinance approving and accepting an agreement between the City and Davey Resource Group for a tree inventory of approximately 1,897 City right-of-way trees. It is staff's recommendation that the proposal from Davey Resource Group for \$10,000 be accepted. This expense is covered by a Missouri Department of Conservation TRIM grant. The City's match share is \$3,650. Of the match, \$150 will be in cash and the balance of \$3,500 will be in-kind labor. This is the sixth year the City has received this grant.
2. Review an ordinance repealing Ordinance Number 10383 in its entirety which authorized the acceptance of a quit claim deed by the City from Pettis County for sections of Main Street and Oak Grove Lane and the acceptance of these streets for City Maintenance. When the County is able to submit the necessary paperwork related to this issue, the Ordinance will be re-introduced to the Council.

Finance/Administration Committee:

1. No items

CITY OF SEDALIA, MISSOURI PRE-COUNCIL MEETING – DECEMBER 21, 2015

WORK SESSION

The Work Session started at 6:15 p.m. in the Mayor's Conference Room at the Municipal Building.

Council Members present were James Cunningham, Russell Driskell, Bonita Nash, Donald Meier, Bob Cross, Tolbert Rowe and Vicky Collins. Jo Lynn Turley arrived at 6:20 p.m.

Presentation – Sedalia Area Chamber of Commerce

Angie Thomas, Executive Director of Sedalia Area Chamber of Commerce, presented information regarding the profits and losses for the 4th of July Community Celebration and the annual Christmas Parade.

Key Information:

- **July 4th Celebration** – Profit of \$586.06 (came from sale of water, soda and Gatorade); Received assistance from Sedalia Police and Fire departments for traffic control and safety concerns; City contributed \$1,000.00; cost of fireworks anticipated to increase from \$7,500.00 to \$8,000.00 and anticipated increase for band from \$600.00 to \$800.00; 2016 funding request is for City to contribute half of the total cost for fireworks and band (\$4,400.00).
- **Christmas Parade** – Profit of \$1,115.33; City contributed \$1,000.00; Asking for additional \$1,500.00 in 2016 which makes total donation by City of \$2,500.00.

Presentation – Financial Update

Finance Director, Kelvin Shaw, presented a financial update regarding sales tax and expenditures. Sales tax for FY 2016 in the month of December is up 6.3% and year to date is up 1.8% with total from all taxes collected (Franchise & Cigarette Tax, Use Tax, Transportation Tax, Property Tax Collection) year to date showing an increase of 1.0%. The Use Tax began October 1, 2015 collecting \$27,117.00 to date and Franchise & Cigarette Taxes are down due to trends in telephone and cigarette taxes.

Fiscal Year-to-Date Expenditures:

- General Government Administration and Support shows an increase of 5.0%
- Public Safety has increased 4.2%
- Transportation has increased 5.5% (Special Projects – \$1 million on streets/roads repairs over next 2 years)
- Library has increased 0.9%
- Parks and Recreation shows an increase of 25.1%
- Projects and Capital Improvements shows a decrease of 38.2% with spend down fund balance
- Year to date 66.67% of budget has been spent

COMMITTEE MEETING

Public Safety Committee – Councilman Driskell, Chairman – No Report.

Public Works Committee – Councilman Rowe, Chairman, presented the following recommendations:

- Change Order #1 from KAT Excavation, Bates City, MO in the amount of \$9,157.00 (Contract price \$759,805.20; majority of cost is for reinstallation of traffic loop signals & alterations necessary to electrical meter; required by Missouri Department of Transportation) for the Streetscape Phase IIIa Project was moved to full Council on motion by Cunningham, seconded by Nash. All in favor.
- Quote for the purchase of a 2016 Dodge Ram 1500 4x4 Crew Cab ½ Ton Pickup for the Water Pollution Control Department from Bryant Motor Company, Sedalia, MO in the amount of \$24,996.00 (budgeted \$25,000.00) through the State of Missouri Cooperative Purchasing Program was moved to full Council on motion by Meier, seconded by Cross. All in favor.
- Change Order #5 from Spray Com Utilities, Inc., Knob Noster, MO for the Collection System Rehabilitation Phase 1A Project, Base Bid, Bid Package Number 2 in the amount of \$13,793.00 (Contract price \$1,291,429.30; necessary repairs of two sewer main pipes in which special conditions were found during construction) was moved to full Council on motion by Meier, seconded by Cunningham. All in favor.
- Ordinance amending the budget for the Fiscal Year 2015-2016 regarding the Streetscape Phase IIIa Project (necessary due to Change Order #1 from KAT Excavation) was moved to full Council on motion by Driskell, seconded by Nash. All in favor.
- Ordinance amending the budget for the Fiscal Year 2015-2016 regarding the Highway 50 Katy Trail Overpass Project (Funds allocated in budget, however, low bid is approximately \$80,000.00 over amount of available grant and City/County dollars; State, County & City will share cost of overage; City's share \$20,000.00 is covered in proposed budget amendment) (Pettis County Commissioner, Brent Hampy, stated that the bridge is a safety hazard and has traffic issues such as collisions due to the narrow roadway and possible objects being dropped into vehicle windows. The new bridge will be a concrete walkway with high steel fencing on each side; there is not a set date for completion however, it is hoped to be completed before the Scott Joplin Festival; 170 days needed to build bridge) was moved to full Council on motion by Driskell, seconded by Meier. All in favor.
- Ordinance approving and accepting Amendment Number 3 to Exhibit M to the master agreement for professional services with Olsson Associates for engineering services (Decrease in construction observation from \$75,000.00 to \$62,389.58 for EQ-1 Improvement Project) was moved to full Council on motion by Driskell, seconded by Cross. All in favor.
- Ordinance approving an agreement with DEI Consulting, Kirkwood, MO for consulting services related to recycling and solid waste (Necessary to review recycling & solid waste service to see where efficiencies can be found to provide reasonable costs to citizens; \$80.00 per hour; \$8,000.00 total) (City Administrator, Gary Edwards, stated that a problem exists where expenditures of the Center for Human Services is more than revenue and the City is covering the difference. Also, need to look at Solid Waste to bring it out of operating in the red. DEI Consulting can provide an objective look at the issue as well as provide knowledge of issue throughout the state. Agreement will give the City options to look at to alleviate issue and make recycling more efficient and popular.) was moved to full Council on motion by Meier, seconded by Nash. All in favor.

- Resolution amending the Missouri Department of Natural Resources and the Missouri Department of Transportation for the replacement of the Katy Trail Bridge over U.S. Highway 50 as a joint venture with the County of Pettis (Amendment necessary due to project cost increase due to higher than estimated bids; City's share of expense increased by \$20,000.00) was moved to full Council on motion by Driskell, seconded by Turley. All in favor.

Finance/Administration Committee – Councilman Cunningham, Chairman – No Report.

City Administrator, Gary Edwards, reminded everyone that the Employee Christmas Luncheon is December 24, 2015 at noon and the Tour of the Library will be December 28, 2015 at 6:00 p.m. Also, there was discussion with the State Fair Community College Board regarding the possible purchase of the McLaughlin Building, however, the board has decided not to pursue the purchase and that the owner, Mary McLaughlin, has decided not to sell to the City due to the TIF District designation.

With no further comments, the meeting closed at 6:38 p.m.
Respectfully submitted: Arlene Silvey, MPCC City Clerk

CITY OF SEDALIA, MISSOURI
COUNCIL MEETING – DECEMBER 21, 2015

The Council of the City of Sedalia, Missouri duly met on Monday, December 21, 2015, at 7:00 p.m. at the Municipal Building with Mayor Stephen J. Galliher presiding. Mayor Galliher called the meeting to order and asked for a moment of silent prayer. Mayor Galliher recognized Boy Scout Troop 54 and Eagle Scout Kearn McCullough who were in attendance and asked them to lead the Pledge of Allegiance.

ROLL CALL:

James Cunningham	Present	Donald Meier	Present
Jo Lynn Turley	Present	Bob Cross	Present
Russell Driskell	Present	Tolbert Rowe	Present
Bonita Nash	Present	Vicky Collins	Present

SERVICE AWARDS: None.

MINUTES:

The following minutes were approved on motion by Driskell, seconded by Meier. All in favor.

- Pre-Council Meeting December 7, 2015
- Regular Council Meeting December 7, 2015

REPORTS OF SPECIAL BOARDS, COMMISSIONS & COMMITTEES:

Accepted the minutes of the Citizen's Traffic Advisory Commission dated November 10, 2015 on motion by Rowe, seconded by Driskell. All in favor.

ROLL CALL OF STANDING COMMITTEES:

PUBLIC SAFETY – RUSSELL DRISKELL, CHAIRMAN – No Report.

PUBLIC WORKS – TOLBERT ROWE, CHAIRMAN

Approved Change Order #1 from KAT Excavation, Bates City, MO in the amount of \$9,157.00 for the Streetscape Phase IIIa Project on motion by Driskell, seconded by Meier. All in favor.

Approved purchase of a 2016 Dodge Ram 1500 4x4 Crew Cab ½ ton pickup for the Water Pollution Control Department from Bryant Motor Company, Sedalia, MO in the amount of \$24,996.00 through the State of Missouri Cooperative Purchasing Program on motion by Cross, seconded by Nash. All in favor.

Approved Change Order #5 from Spray Com Utilities, Inc., Knob Noster, MO in the amount of \$13,793.00 for the Collection System Rehabilitation Phase 1A Project, Base Bid, Bid Package No. 2 on motion by Nash, seconded by Meier. All in favor.

FINANCE & ADMINISTRATION – JAMES CUNNINGHAM, CHAIRMAN – No Report.

NEW BUSINESS:

BILL NO. 2015 – 155, ORDINANCE NO. 10397 – AN ORDINANCE AMENDING THE BUDGET FOR THE FISCAL YEAR 2015-2016 REGARDING THE STREETScape PHASE IIIA PROJECT was read once by title.

2nd Reading – Motion by Rowe, 2nd by Nash. All in favor.

Final Passage – Motion by Rowe, 2nd by Nash. All in favor.

Roll Call Vote: Voting “Yes” were Cunningham, Turley, Driskell, Nash, Meier, Cross, Rowe and Collins. No one voted “No”.

BILL NO. 2015 – 156, ORDINANCE NO. 10398 – AN ORDINANCE AMENDING THE BUDGET FOR THE FISCAL YEAR 2015-2016 REGARDING THE HIGHWAY 50 KATY TRAIL OVERPASS PROJECT was read once by title.

2nd Reading – Motion by Rowe, 2nd by Cunningham. All in favor.

Final Passage – Motion by Rowe, 2nd by Nash. All in favor.

Roll Call Vote: Voting “Yes” were Cunningham, Turley, Driskell, Nash, Meier, Cross, Rowe and Collins. No one voted “No”.

BILL NO. 2015 – 157, ORDINANCE NO. 10399 – AN ORDINANCE APPROVING AND ACCEPTING AMENDMENT NUMBER 3 TO EXHIBIT M TO THE MASTER AGREEMENT FOR PROFESSIONAL SERVICES BETWEEN THE CITY OF SEDALIA, MISSOURI AND OLSSON ASSOCIATES FOR ENGINEERING SERVICES was read once by title.

2nd Reading – Motion by Meier, 2nd by Driskell. All in favor.

Final Passage – Motion by Rowe, 2nd by Driskell. All in favor.

Roll Call Vote: Voting “Yes” were Cunningham, Turley, Driskell, Nash, Meier, Cross, Rowe and Collins. No one voted “No”.

BILL NO. 2015 – 158, ORDINANCE NO. 10400 – AN ORDINANCE APPROVING AN AGREEMENT BETWEEN DEI CONSULTING AND THE CITY OF SEDALIA, MISSOURI FOR CONSULTING SERVICES RELATED TO RECYCLING AND SOLID WASTE was read once by title.

2nd Reading – Motion by Meier, 2nd by Nash. All in favor.

Final Passage – Motion by Turley, 2nd by Nash. All in favor.

Roll Call Vote: Voting “Yes” were Cunningham, Turley, Driskell, Nash, Meier, Cross, Rowe and Collins. No one voted “No”.

RESOLUTION NO. 1856 – A RESOLUTION AMENDING RESOLUTION 1849 REGARDING AN APPLICATION FOR FUNDING THROUGH A TAP GRANT THROUGH THE MISSOURI DEPARTMENT OF NATURAL RESOURCES AND THE MISSOURI DEPARTMENT OF TRANSPORTATION FOR THE REPLACEMENT OF THE KATY TRAIL BRIDGE OVER U.S. HIGHWAY 50 IN SEDALIA, MISSOURI AS A JOINT VENTURE WITH THE COUNTY OF PETTIS, MISSOURI was read once by title and approved on motion by Driskell, seconded by Meier. All in favor.

APPOINTMENTS:

The following Board Appointment by Mayor Galliher was read and approved on motion by Meier, seconded by Driskell. All in favor.

TAX INCREMENT FINANCING (TIF) COMMISSION:

Appoint Barbara Hayden, 1300 W. Henry, Completing Ron Ditzfeld's term expiring July 2019.

BIDS:

- 2016 Dodge Ram 1500 4x4 Crew Cab ½ Ton Pickup for WPC – December 14, 2015

LIQUOR LICENSES:

The following Renewal Liquor Licenses were read and approved on motion by Rowe, seconded by Driskell. All in favor.

- Amanda Goon dba Break Time #3084, 318 W Broadway – Packaged Liquor
- Tom Munson dba Best Western State Fair Inn, 3120 S Limit – Liquor by the Drink

DEPARTMENT BILLS thru December 21, 2015 totaling \$448,809.41 were approved for payment on motion by Turley, seconded by Rowe. All in favor.

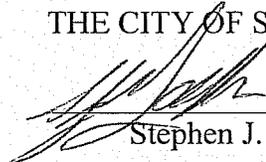

MISCELLANEOUS ITEMS FROM MAYOR/COUNCIL/ADMINISTRATOR:

Mayor Galliher stated that he received a letter from Mr. Wally McCown Jr. regarding Cemetery Director, Roger Waters, stating how well Mr. McCown and his family were treated at the Cemetery.

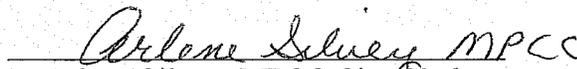

GOOD & WELFARE: None.

The meeting adjourned at 7:10 p.m. to a Closed-Door Session in accordance with Section 610.021 (1) RSMo for Legal Advice on motion by Rowe, seconded by Nash. All in favor.

THE CITY OF SEDALIA, MISSOURI

Stephen J. Galliher, Mayor

Arlene Silvey, MPCC City Clerk

To: Gary Edwards
From: Ellen Cross
Date: December 29, 2015
Subject: Proposal for Tree Inventory

It is my recommendation that we accept the proposal from Davey Resource Group for a tree inventory of approximately 1,897 City right-of-way trees. The proposal is for \$10,000.00.

The Missouri Department of conservation awards grants through a Tree Resource Improvement and Maintenance (TRIM) cost share program. The City will be required to have a cost share match for the grant of \$3,650.00 which will be \$150.00 cash and \$3,500 in kind labor that the City currently does as routine tree care maintenance. This is the sixth year the City has received this grant.

Proposals were solicited and two received. The proposals were scored and Davey Resource Group received the highest cumulative score.

All the information gathered will be available in a format that is compatible with the City's current GIS system and can be added as a layer.

Thank you.

A handwritten signature in cursive script that reads "Ellen Cross". The signature is written in black ink and is positioned below the typed text "Thank you."

BILL NO. _____

ORDINANCE NO. _____

AN ORDINANCE APPROVING AND ACCEPTING AN AGREEMENT BY AND BETWEEN THE CITY OF SEDALIA, MISSOURI AND DAVEY RESOURCE GROUP FOR A TREE INVENTORY OF APPROXIMATELY 1,897 CITY RIGHT-OF-WAY TREES.

WHEREAS, the City of Sedalia, Missouri has received a proposal to enter into an agreement by and between the City of Sedalia, Missouri and Davey Resource Group to inventory approximately 1,897 trees located within the street right-of-ways which include Grand Avenue to Limit Avenue, 16th Street to Broadway Avenue; Limit Avenue west to the City limits until said number of trees has been reached; and

WHEREAS, under the proposal, and as consideration therefore, the City of Sedalia, Missouri shall pay Davey Resource Group the sum of not to exceed Ten Thousand Dollars (\$10,000.00) as more fully described in the proposed agreement attached to this ordinance and incorporated by reference herein as though the proposed agreement were set forth herein.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SEDALIA, MISSOURI as follows:

Section 1. The Council of the City of Sedalia, Missouri hereby approves and accepts the agreement by and between the City of Sedalia, Missouri and Davey Resource Group as the agreement has been proposed.

Section 2. The City Administrator is authorized and directed to execute and the City Clerk is hereby authorized and directed to attest and fix the seal of the City of Sedalia, Missouri on the agreement in substantively the same form and content as the agreement have been proposed.

Section 3. The City Clerk is hereby directed to file in her office a duplicate or copy of the agreement after it has been executed by the parties or their duly authorized representatives.

Section 4. This ordinance shall be in full force and effect from and after its passage and approval.

Read two times by title, copies of the proposed ordinance having been made available for public inspection prior to the time the bill is under consideration by the Council and passed by the Council of the City of Sedalia, Missouri this 4th day of January 2016.

Presiding Officer of the Council

Approved by the Mayor of said City this 4th day of January 2016.

Stephen J. Galliher, Mayor

ATTEST:

Arlene Silvey, MPCC
City Clerk

**Specification of Work
for a
GIS-based Public Tree Inventory
and Associated Services
for
City of Sedalia, Missouri**

December, 2015

The following work specification details all deliverables including deliverable products and work to be performed by Davey Resource Group (hereinafter referred to as Davey) in connection with the City of Sedalia, Missouri (hereinafter referred to as Client). This document does not replace any prior correspondence, including contracts, proposals, RFP's, and written correspondence, but is instead part of a development process that will move the project from proposal, to final delivery and acceptance by the client.

Davey and the Client project managers will be the primary point of contact for all critical project related communication. This will ensure frequent communication so that both parties are informed of project progress, challenges, and any resultant changes in requirements or schedules. Projected delivery dates contained in this document are approximate and based on conditions at the time of the contract. Changes to this schedule should be noted in writing to both the client and Davey representative with documentation of the need for a change. Changes to either the client representative or the Davey representative should also be noted in writing.

Schedule of Deliverables

Deliverable	Comments	Estimated Delivery Date	Price
Task One: Tree Inventory <i>Attachments A & B</i>	Inventory of up to 1,897 existing trees along streets. Tree inventory data will be delivered as i-Tree Streets, ESR!® shapefile, an Access™ database, and an Excel™ spreadsheet.	March, 2016	\$10,000
Total (Not-to-Exceed)			\$10,000

Notice of Disclaimer

This pricing is based on inventorying an estimated 1,800 trees. Inventory data provided by Davey are based on visual recording at the time of inspection. Visual records do not include individual testing or analysis and do not include aerial or subterranean inspection. Davey is not responsible for discovery or identification of hidden or otherwise non-observable hazards. Records may not remain accurate after inspection due to variable deterioration of inventoried material. Davey provides no warranty with respect to the fitness of the urban forest for any use or purpose whatsoever. Clients may choose to accept or disregard Davey’s recommendations, or to seek additional advice. Important: know and understand that visual inspection is confined to the designated subject tree(s), and that the inspections for this project are performed in the interest of facts of the tree(s) without prejudice to or for any other service or any interested party.

Attachment A

Street Tree Inventory Data Field Definitions

The data fields that will be collected for each tree and stump during the inventory are defined as follows:

- **Mapping coordinate.** X and Y coordinate locations.
- **Area.** Tree locations will be identified by subdivision, management area, or other discrete location/property name as determined by Davey Resource Group and the Client.
- **Location.** The tree's physical location in relation to public ROW and/or public space will be recorded.
- **Blockside and Address.** Davey Resource Group will identify the location of each street tree and planting site so that they can easily be identified for future maintenance work. Street trees and planting sites will be located using an address number, street name, side of lot, tree number, and blockside information (on street, from street, and to street). Each tree and/or planting site at an address will receive a Site Number to aid in locating the site.
- **Species.** Trees will be identified by genus and species, with the exception of genera such as *Crataegus* or *Malus*, where field identification of species is often not practical.
- **Diameter.** Diameter is measured in inches at 4-1/2 feet above the ground, or diameter-breast-height (DBH).
- **Stems.** The number of stems a tree has will be recorded.
- **Condition.** In general, the health and structure of each tree will be recorded in one of the following categories based on visible root, trunk, scaffold branch, twig, and foliage conditions at the time of the inventory and adapted from the rating system established by the International Society of Arboriculture and based on visible root, trunk, scaffold branch, twig, and foliage conditions at the time of the inventory:
 1. Excellent. 100% condition rating.
 2. Very Good. 90% condition rating.
 3. Good. 80% condition rating.
 4. Fair. 60% condition rating.
 5. Poor. 40% condition rating.
 6. Critical. 20% condition rating.
 7. Dead. 0% condition rating.
- **Primary Maintenance Need.** The following primary maintenance needs will be determined based on ANSI A300 standard specifications:
 1. Removal. Trees designated for removal have defects that cannot be cost-effectively or practically treated. The majority of the trees in this category have a large percentage of dead crown. All trees with safety risks that could be seen as potential threats to persons or property and seen as potential liabilities to the client would be in this category. This category includes large dead and dying

trees that are high-liability risks as well as those that pose minimal liability to persons or property (such as trees in poor locations or undesirable species).

2. Large Tree Clean. These trees require selective removal of dead, dying, broken, and/or diseased wood to minimize potential risk. Priority of work should be dependent upon the *Risk* associated with the individual trees. Trees in this category may be large enough to require bucket truck access or manual climbing.
 3. Small Tree Clean. These trees require selective removal of dead, dying, broken, and/or diseased wood to minimize potential risk. Priority of work should be dependent upon the *Risk* associated with the individual trees. These trees are small-growing, mature trees that can be evaluated and pruned from the ground.
 4. Young Tree Train. These are young trees that must be pruned to correct or eliminate weak, interfering, or objectionable branches in order to minimize future maintenance requirements. Generally, these trees may be up to 20 feet in height and can be worked with a pole pruner by a person standing on the ground.
 5. Stump Removal. This category indicates a stump that should be removed. Lacking specific information on stump removal required by local code requirements per the client.
- **Secondary Maintenance Need.** The following secondary maintenance needs will be determined based on ANSI A300 standard specifications:
1. Raise. Trees requiring pruning to remove low branches that interfere with sight and/or traffic. Lacking specific information on clearance required by local code per the client, 8 feet over sidewalk for *Pedestrian* clearance, 14 feet over roads for *Traffic* clearance, and 7 feet in public/park areas to allow for grounds maintenance will be used.
 2. Reduce. Selective pruning to decrease height and/or spread of the crown in order to provide clearance for electric utilities and lighting.
 3. Thin. The selective removal of water sprouts, epicormic branches, and live branches to reduce density.
 4. Utility. Selective pruning to prevent the loss of service, comply with mandated clearance laws, prevent damage to equipment, avoid access impairment, and uphold the intended usage of the facility/utility space. Branches are currently in conflict with overhead utility lines.
 5. Restoration. Selective pruning to improve the structure, form, and appearance of trees that have been severely headed, vandalized, or damaged.
 6. None. No secondary maintenance is recommended for the tree. This will be used as the default value when *Primary Maintenance* equals Removal, Stump Removal, or Plant Tree.
- **Observations.** Significant observations affecting a tree's health, structure, and location will be made.
- **Further Inspection.** This field will be used to indicate that a particular tree will require further or periodic inspection due to particular conditions with the tree that could cause it to be a safety risk and, therefore, potentially hazardous to the public.
- **Clearance Required.** Trees which are causing or may cause visibility or clearance difficulties for pedestrians or vehicles will be identified, as well as those trees

blocking clear visibility of signs or traffic signals, street lights, traffic signals, or other safety devices.

- **Hardscape Damage.** Damage to sidewalks and curbs by tree roots is noted.
- **Overhead Utilities.** The inventory indicates whether overhead conductors or other utilities are present at the tree site that could result in conflicts with the tree.
- **Growing Space Type**—Growing space locations are categorized as:
 1. Island
 2. Median
 3. Open/Unrestricted
 4. Raised Planter
 5. Tree Lawn/Parkway
 6. Unmaintained Area
 7. Well/Pit
- **Space Size.** The minimum width of the growing space for root development is recorded.
- **Risk Assessment.** A risk rating will be assigned using an assessment protocol based on the USDA Forest Service Community Tree Risk Rating System.
 1. **Probability of Failure (1–4 points).** Identifies the most likely failure and rates the likelihood that the structural defect(s) will result in failure based on observed, current conditions.
 - a) **Low: some minor defects present.**
 - minor branch/crown dieback
 - minor defects or wounds
 - b) **Moderate: several moderate defects present**
 - stem decay or cavity within safe shell limits: shell thickness >1 inch of sound wood for each 6 inches of stem diameter
 - crack(s) without extensive decay
 - defect(s) affecting 30–40% of the tree’s circumference
 - crown damage/breakage: hardwoods up to 50%; pines up to 30%
 - weak branch union: major branch or codominant stem has included bark
 - stem girdling roots: <40% tree’s circumference with compressed wood
 - root damage: <40% of roots damaged within the critical root radius
 - c) **High: multiple of significant defects present:**
 - stem decay or cavity at or exceeding shell safety limits: minimum shell thickness = 1 inch of sound wood for each 6 inches of stem diameter
 - cracks, particularly those in contact with the soil or associated with other defects
 - defect(s) affecting >40% of the tree’s circumference
 - crown damage/breakage: hardwoods >50%; pines >30%
 - weak branch union with crack or decay
 - girdling roots with >40% of tree’s circumference with compressed wood
 - root damage: >40% of roots damaged within the critical root radius
 - leaning tree with recent root breakage or soil mounding, crack or extensive decay
 - dead tree: standing dead without other significant defects

- d) **Extremely High:** multiple and significant defects present; visual obstruction of traffic signs/lights or intersections:
 - stem decay or cavity exceeding shell safety limits and severe crack
 - cracks: when a stem or branch is split in half or has cracks on opposite sides
 - defect(s) affecting >40% of tree's circumference or critical root radius and extensive decay or crack(s)
 - weak branch union with crack and decay
 - leaning tree with recent root breakage or soil mounding and crack or extensive decay
 - dead branches: broken (hangers) or with a crack
 - dead trees: standing dead with other defects, such as cracks, hangers, extensive decay, or major root damage
 - visual obstruction of traffic signs/lights or intersections
 - physical obstruction of pedestrian or vehicle traffic
2. **Size of Defective Part (1–3 points).** Rates the size of the part most likely to fail. If the trunk is the part most likely to fail, tree will be recommended for removal and the DBH value will be used for the size of the defective part.
 - a) Parts less than 4 inches in diameter
 - b) Parts from 4 to 20 inches in diameter
 - c) Parts greater than 20 inches in diameter
 3. **Probability of Target Impact (1–3 points).** Rates the use and occupancy of the area that would be struck by defective part.
 - a) **Occasional Use:** low-use roads and park trails; parking lots adjacent to low-use areas; natural areas such as woods or riparian zones; transition areas with limited public use; industrial areas.
 - b) **Intermediate Use:** moderate- to low-use school playgrounds, parks, and picnic areas; parking lots adjacent to moderate-use areas; secondary roads (neighborhoods) and park trails within moderate- to high-use areas; and dispersed campgrounds.
 - c) **Frequent Use:** emergency access routes, medical and emergency facilities and shelters, and handicap access areas; high-use school playgrounds, parks, and picnic areas; bus stops; visitor centers, shelters, and park administrative buildings and residences; main thoroughfares and congested intersections in high-use areas; parking lots adjacent to high-use areas; interpretive signs, kiosks; scenic vistas; and campsites (particularly drive-in).
 4. **Other Risk Factors (0–2 points).** This optional subjective risk rating is used if professional judgment suggests the need to increase the total risk rating and invoke immediate corrective action. For example, trees with a numeric risk rating of 9 or 10 would be identified as high-priority trees to receive corrective treatments first. An inspector may wish to increase a tree's risk rating from 8 to 9 as a means of ensuring the tree will receive immediate corrective treatment. The total risk rating should not exceed 10 points.
- **Risk Rating.** Generally, trees with the highest numeric risk ratings should receive corrective treatment first. The overall risk rating of the tree will be indicated, based on the sum of above risk assessment field values. See the formula below:

**Risk Rating (3–10 points) = probability of failure (1–4 points) +
size of defective part (1–3 points) + probability of target impact (1–3 points) +
optional subjective risk rating (0–2 points)**

Trees assessed as lower risk may fail before trees assessed as higher risk. There are many uncontrollable conditions, such as weather, pests, and human involvement, that can contribute to tree failure. Davey's assigned risk is meant only to be used as a guideline to make safety-driven maintenance decisions and to direct normal tree maintenance programs efficiently. All risk ratings are based on observable defects at the time of assessment. All observations are made from the ground. The following risk ratings will be assigned:

1. None. Numeric *Risk Rating* equals 0. Used for planting and stump sites only.
2. Low. Numeric *Risk Rating* equals 3 or 4. Trees designated as presenting a Low risk have minor visible structural defects or wounds in areas with moderate to low public access. At the current time, the observable defects—using visual inspection—do not meet the threshold of failure. No corrective action is required.
3. Moderate. Numeric *Risk Rating* equals 5 or 6. Trees designated as presenting a Moderate risk have defects that may be cost-effectively or practically treated. The majority of trees in this category exhibit several moderate defects affecting <40% of a tree's trunk, crown, or critical root zone. This category may also include young or newly planted trees in frequent public use areas, such as downtown business districts or popular parks. At the current time, the observable defects—using visual inspection—do not meet the threshold of failure. The defects may or may not result in eventual tree failure. These trees can be recommended for pruning or removal and should be addressed after all *Severe* and *High* risk tree maintenance.
4. High. Numeric *Risk Rating* equals 7 or 8. Trees designated as presenting a High risk have defects that cannot be cost-effectively or practically treated. The majority of the trees in this category have multiple or significant defects affecting >40% of the trunk, crown, or critical root zone. Defective trees and/or tree parts are most likely between 4–20 inches in diameter and can be found in areas of frequent occupation, such as a main thoroughfare, congested streets, and/or near schools. Currently, these defects indicate that the tree is failing, is in immediate danger of failing, or has already partially failed. These trees can be recommended for pruning or removal and should be addressed immediately after all *Severe* risk removals.
5. Severe. Numeric *Risk Rating* equals 9 or 10. Trees designated as presenting a Severe risk have defects that cannot be cost-effectively or practically treated. The majority of the trees in this category have multiple and significant defects present in the trunk, crown, or critical root zone. Defective trees and/or tree parts are most likely larger than 20 inches in diameter and can be found in areas of frequent occupation, such as a main thoroughfare, congested streets, and/or near schools. Currently these defects indicate that the tree is failing, is in immediate danger of failing, or has already partially failed. Large dead and dying trees that are high-liability risks are included in this category. This category is reserved for the highest priority removals only and corrective action should be taken as soon as possible.

- **Notes.** Additional information regarding disease, insect, mechanical damage, etc. can be included in this field.

Attachment B

Inventory Data Field Descriptions and Sizes

The following data fields and input/collection code formats are Davey's recommended fields for a tree inventory. These fields and their acceptable values will be programmed into Davey's hand-held field computers for the inventory data collection.

Data Field Name	Field Format	Input Notes	Definition
Address Input Fields			
<i>Address</i>	Open Entry	Numeric	Property address
<i>Assigned?</i>	Yes/No	100X Main Street 100 Main Street	Yes = addressed assigned No = address not assigned
<i>Street</i>	Pick List	Street name: master file	
<i>On Street</i>	Pick List	Street name: master file	Street tree is located on
Tree Input Fields			
<i>Species</i>	Pick List	Species: master file	
<i>Diameter</i>	Pick List	Numeric	DBH (inches)
<i>Stems</i>	Pick List	1 (default) 2 to 99	One stem only # of multiple stems
<i>Condition</i>	Radials	Excellent Very Good Good Fair Poor Critical Dead	100% 90% 80% 60% 40% 20% 0%
<i>Primary Maintenance Need</i>	Radials	Large Tree Clean Small Tree Clean Young Tree Train Removal Stump Removal	
<i>Secondary Maintenance Need</i>	Pick List	Raise Reduce Thin Restoration Utility None	
<i>Further Inspection</i>	Yes/No	No (default) Yes	No Further Inspection Further Inspection Recommended

Observations	Pick List	Cavity/Decay Grate/Guard Improperly Installed Improperly Mulched Improperly Pruned Mechanical Damage Memorial Tree Nutrient Deficiency Pest Problem Poor Location Poor Root System Poor Structure Remove Hardware Serious Decline	
Clearance	Radials	None needed (default) Light Building Pedestrian Sign/Signal Vehicle	
Hardscape Damage	Yes/No	No (default) Yes	Damage <i>not</i> present Damage present
Overhead Utilities	Yes/No	No (default) Yes	Utilities <i>not</i> present Utilities present
Growing Space Type	Radials (Keeps last value)	Island Median Natural Area Open/ Unrestricted Raised Planter Tree Lawn/Parkway Well/Pit

BILL NO. _____

ORDINANCE NO. _____

AN ORDINANCE REPEALING ORDINANCE NUMBER 10383 IN ITS ENTIRETY WHICH AUTHORIZED THE ACCEPTANCE OF A QUIT CLAIM DEED BY THE CITY OF SEDALIA, MISSOURI FROM THE COUNTY OF PETTIS, MISSOURI FOR SECTIONS OF MAIN STREET AND OAK GROVE LANE AND THE ACCEPTANCE OF SAID STREETS FOR CITY MAINTENANCE.

WHEREAS, on November 2, 2015, the City Council passed Ordinance Number 10383 which authorized the acceptance of a quit claim deed by the City of Sedalia, Missouri from the County of Pettis, Missouri for sections of Main Street and Oak Grove Lane as well as accepting said streets for city maintenance; and

WHEREAS, circumstances have changed that necessitate the need to repeal said ordinance in its entirety.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SEDALIA, MISSOURI, as follows:

Section 1. Ordinance Number 10383 is hereby repealed in its entirety.

Section 2. This ordinance shall be in full force and effect from and after its passage and approval.

Read two times by title, copies of the proposed ordinance having been made available for public inspection prior to the time the bill is under consideration by the Council and passed by the Council of the City of Sedalia, Missouri this 4th day of January, 2016.

Presiding Officer of the Council

Approved by the Mayor of said City this this 4th day of January, 2016.

Stephen J. Galliher, Mayor

ATTEST:

Arlene Silvey, MPCC
