GOOD & WELFARE:

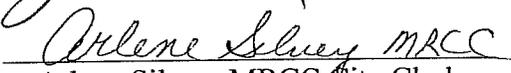

William Hanna, 820 E. 13<sup>th</sup>, stated that he purchased a lot with an old shack. Mr. Hanna tore the shack down to build a storage shed and the City told him that he could not do this without a house on the lot. Mr. Hannah also inquired about an unlicensed car that is parked in the yard across the street and there is a junk truck also parked at the house. He was told that this issue was in court and that the owner was trying to sell the truck and inquired if this is legal. City Attorney, Anne Gardner, stated that the owner can sell the truck. Mayor Galliher stated he would have to do some research on the matters addressed and get back with him.

Bob Walters who owns a house at 1811 W. 5<sup>th</sup>, inquired about initiating a process to review the City’s noise ordinance. Mr. Walters stated that the car wash North of Highway 65 and U.S. 50 intersection has had a chronic abuse of the noise ordinance going on for years and he believes the police department has given up on enforcing the ordinance at this location due to the non-cooperation of the business owner. Mr. Walters added that he would like to meet with the Police and City Attorney to discuss this issue. City Administrator, Gary Edwards, stated that the complaint was received several days ago and is being researched to solve the problem.

The meeting adjourned at 7:11 p.m. on motion by Turley, seconded by LaStrada. All in favor
