MISCELLANEOUS ITEMS FROM MAYOR/COUNCIL/ADMINISTRATOR:

Councilman Cross asked to revisit the smoking ordinance since it has been 90 days since its approval. City Attorney, Anne Gardner, stated that if the Council looks at voting again on the smoking ban ordinance, then more information should be obtained from all concerned parties. City Attorney Gardner added that there needs to be a work session so that direction can be given by the Council as to how the smoking ban ordinance should be amended. Then at the following meeting an ordinance could be presented for a Council vote. Mayor Horn suggested that a work session be held February 10, 2014 and then present the ordinance for a formal vote at the March 5, 2014 Council Meeting. Councilman Stevenson objected and stated that the time was too late and added that his decision would be to rescind part of the ordinance to put in that only bars and private clubs can allow smoking. Stevenson would like the work session to be held February 10, 2014 and a council vote at the February 18, 2014 meeting. City Administrator, Gary Edwards, stated that the Council needed to keep in mind that the first budget presentation is scheduled for the February 18, 2014 meeting; however the decision of the meeting dates was at the discretion of the Council. A work session was set for February 10, 2014 to discuss the smoking ordinance and to set a date for a formal vote on the issue.

GOOD & WELFARE:

Terry Cockrell, 808 E. 11th Street, stated that two weeks ago the City of St. Joseph Councilmen voted to take a smoking ban to a vote of the people and added that Sedalia should look at other cities to see how the smoking ordinances are being handled and that the Council should not take rights away from the people.

The meeting adjourned at 7:18 p.m. on motion by Monsees, seconded by Walter. All in favor.
