

City of Sedalia, Missouri
Sanitation Department Phone (660) 827-7820
M-F 7:00 a.m.—3:30 p.m. Once a Week Trash & Recycling
Effective October 3, 2016

Your single stream recycling materials and trash will be picked up one day a week. You may set out trash in either a can up to 35 gallons or in closed bags. If you would like to show that a can holds trash, you may mark a large “T” in an obvious place on the can. If you would like to show that a can or other container holds single-stream recycling, you may mark it with a large “R”. You can place as many cans or bags out as needed to dispose of your recycling and trash, there is no limit on the volume of materials that may be discarded. However, be aware there is a 35 gallon and 75 pound weight limit per trash/recycling can or bag.

The location for where you set out your trash and recycling does not change. Trash and recycling will continue to be placed at the curb or in the alley based upon the location of your residence. If you have questions, please call Public Works at (660) 827-3000 ext. 1166.
