FOR IMMEDIATE RELEASE
11:45 A.M. CDT, March 11, 2016

PICK UP ON DEMAND SERVICE AVAILABLE FOR SPRING CLEAN-UP

(SEDALIA, MISSOURI): Mild temperatures naturally encourage citizens to start their spring clean-up chores and the City of Sedalia is ready to help! The City's Pick Up On Demand service can serve as a handy tool for your clean-up efforts since pickups can be scheduled at your convenience. As a reminder, the Pick Up on Demand service replaced the City's spring and fall clean-up events in 2013. With Pick Up on Demand, each property address receives two free pickups per calendar year. To schedule the pickups please call 660-827-7820.

The amount of refuse is limited to 2 cubic yards which is equivalent to a regular size pickup truck bed. The items need to be placed in front of the house at the curb away from low hanging wires and tree limbs. Vehicles will also need to be moved if they are in front of the refuse.

The following items WILL NOT be picked up: yard waste, building materials that are not in regular size refuse bags, hazardous waste, tires, or batteries.

When : Effective Immediately
Where : City Wide – Missouri
Why : Pick Up On Demand Service
