FOR IMMEDIATE RELEASE

4:30 P.M. CDST, Fri., Mar. 20, 2020

### **City of Sedalia Issues Boil Advisory: S. Grand Ave. south from the Intersection of W. 32nd Street and the Brentwood Subdivision**

The City of Sedalia is issuing a boil water advisory for the area from the intersection of S. Grand Ave. and W. 32<sup>nd</sup> St. south to the end of Grand Ave. and the Brentwood Subdivision. The Water Division is advising residents in this area to boil water following an 8” main break near the intersection on S. Grand Ave.

Water is expected to be off in this area until approximately 9:00 p.m. on Fri., March 20, 2020. Once water service is restored, the boil advisory will remain in place until water sample results are received late on Saturday evening, March 21, 2020. A Public Service Announcement will be released to notify the area once the boil advisory is removed.

It is recommended should customers observe “cloudy” water once water service is restored that they flush their water lines by operating external hydrants or flow water through their bathtubs.

Any customer in this area who notices “cloudy” water should report this to the Sedalia Water Department at (660) 826-1236.

**When: Fri., Mar. 20, 2020 until Advisory is Lifted**

**Where: S. Grand Ave. Intersection with W. 32<sup>nd</sup> Street south on S. Grand Ave to the road’s end and the Brentwood Subdivision**

**Why: Water Main Break and Potential for Sediment in Water**
