Partial Lane Closures for Street Repair: Area Near Intersection of West Main Street and Industrial Road

Street repair work will begin on the westbound lane of West Main Street near the intersection of West Main Street and Industrial Road at 7:00 a.m. on Tues., Apr. 18, 2017 continuing through 4:00 p.m. on Wed., Apr. 19, 2017.

The work zone will extend from the intersection of West Main Street and Industrial Road on Main Street to the east approximately one block and will result in partial lane closures. Motorists traveling through this area are encouraged to allow extra time to reach their destinations and may want to consider use of alternate routes to avoid delays due to congestion during completion of the street repair work.

We apologize for any inconvenience due to this lane closure as work to repair the street is completed. Please note that this repair project is weather dependent and may be delayed due to rain.

When: Tuesday, April 18, 2017 through Thursday, April 19, 2017

Where: West Main Street near intersection with Industrial Road

Why: Street Repair
