FOR IMMEDIATE RELEASE

4:30 P.M. CDST, Friday, April 24, 2020

DOWNTOWN SEDALIA: STREETScape PHASE IV S. OHIO AVE SOUTH OF FIFTH STREET INTERSECTION TO NORTH OF SEVENTH STREET INTERSECTION

Construction is scheduled to begin at 7:00 a.m., Mon., Apr. 27, 2020, on S. Ohio Ave. between 5th St. and 7th St. on the final phase of the Downtown Streetscape Project. This phase of Streetscape will progress from just north of S. Ohio Ave.'s intersection with 7th St. to just south of its intersection with 5th St. Similar to other phases of the project, water lines, sidewalks, lighting and the roadway will be replaced.

Businesses along these two blocks will be open and accessible by pedestrians as a sidewalk will always remain available to the businesses. Parking will be available on side streets and through use of the Public Parking Lot on the corner of 7th and Ohio.

As the 5th St. and 7th St. intersections were updated in the prior phase of Streetscape, these intersections will remain open to traffic throughout the project. Beginning on Mon., Apr. 27, 2020, drivers should anticipate S. Ohio from just north of the 7th Street intersection to just south of the 6th St. intersection to be closed to through traffic. Plans are for the intersection at 6th St. and S. Ohio Ave. to close to through traffic beginning on May 11th to allow for

construction of that intersection. Presently, plans are for the section of S. Ohio from 6th St. to just south of its intersection with 5th St. to be closed beginning on May 25th. As sections of the project are completed those portions of the project will be re-opened to traffic. Public Service Announcements will continue to be issued to keep the public aware of any changes in the schedule and when areas of the roadway are re-opened to through traffic.

We apologize for any inconvenience these infrastructure improvements may cause. Please note that this project is weather and equipment dependent and may be delayed due to rain or equipment breakdowns.

When: Beginning 7:00 a.m., Mon., Apr. 27, 2020 until Complete

Where: S. Ohio between 5th and 7th Streets

Why: Infrastructure Improvements
