Phone: (660) 827-3000 ext. 1166 9:00 A.M. CDT, Thurs., May 30, 2019

### **WINCHESTER DRIVE: FROM HIGHWAY Y ROUNDABOUT TO NORTH OF W. 10<sup>TH</sup> STREET INTERSECTION CLOSED JUNE 4 TO JUNE 6, 2019**

On Monday, June 3, 2019, work crews will be working to repair roadway base failures on Winchester Drive between W. 10<sup>th</sup> St. and the Highway Y (16<sup>th</sup> St.) roundabout. The work on Monday will result in traffic being reduced to a single lane throughout the day. Beginning on Tuesday, June 4, 2019 at 6:00 a.m. and continuing through Thursday, June 6, 2019 at 7:00 a.m., Winchester Drive will be closed from the roundabout at Highway Y to north of the intersection with W. 10<sup>th</sup> Street. The intersection at W. 10<sup>th</sup> St. will be closed during this period. Drivers will need to plan a different route and avoid this area to ensure they arrive at their destinations on time and to assist in keeping congestion to a minimum so these roadway improvements can be made safely.

Businesses in the area have been advised of the road work and closure. Those residents needing access to the Eye Clinic at 1200 Winchester will be need to access the clinic via W. 12<sup>th</sup> Street beginning on Tuesday, June 4, 2019 through Thursday, June 6, 2019.

The work completed during the road closure will be the grinding of the existing roadway and those ground materials will then be injected with a polymer to establish the new road base. The roadway will be re-opened for a week to allow for the polymer to cure or harden. During the period Thursday, June 6, 2019 through approx. June 13, 2019, the roadway will be open to through traffic, but will not have a “finished” surface.

We apologize for any inconvenience this road closure and lane restrictions may cause as we work to improve this area. Please note that this resurfacing project is weather and equipment dependent and may be delayed due to rain or equipment breakdowns.

**When: Mon., June 3, 2019 through Thurs. June 6, 2019**

**Where: Winchester Drive from just north of the roundabout to north of the W. 10<sup>th</sup> St. Intersection**

**Why: Street Reclaiming and Resurfacing**
