STREET RESURFACING: ASPHALTING OF NORTHEAST SEDALIA STREETS BEGINS

(SEDALIA, MISSOURI): Phase 2 of the street resurfacing project in northeast Sedalia begins at 3:00 p.m., July 25, 2017). Following a 30 day cure period, installation of a two inch (2") asphalt cap including an initial layer of prime oil will begin tomorrow July 26, 2017 on the streets listed below.

Date: Afternoon of July 25 - July 26, 2017

Hurley Ave. from E. Boonville St. to E. Saline St.
Randolph Ave. from E. Howard St. to Saline St.

Street Department staff has made contact with residents and are posting signs regarding the work zones. This work will require closing of those streets and residents who routinely park along these streets will need to find alternate parking along East and West running roadways while the final surface is being installed.

We apologize for any inconvenience these road closures may cause as we work to improve this area. Please note that this resurfacing project is weather dependent and may be delayed due to rain.

WHEN: EFFECTIVE AFTERNOON OF JULY 25, 2017 THROUGH 5:00 P.M. JULY 26, 2017
WHERE: PLEASE SEE LOCATIONS LISTED ABOVE
WHY: ROAD CLOSURE TO ALLOW ASPHALTING OF STREETS
