FOR IMMEDIATE RELEASE
10:30 A.M. CDST, August 20, 2020

STREET IMPROVEMENT PROJECTS: CHIP AND SEAL OF STREETS CONTINUES

(SEDALIA, MISSOURI) The City of Sedalia will begin chip and seal on Sedalia streets next week. The following list provides the streets where chip and seal is planned for the week of August 24, 2020. Motorists are encouraged to find alternate routes on the day work is scheduled for a specific street or plan additional time to arrive at their destination as periodic lane closures will occur as equipment and men are working on the streets.

Date: Mon., Aug. 24, 2020

E. 16th St. between S. New York Ave. to S. Garfield Ave.
S. New York Ave. between E. 16th St. to E. 24th St.

W. 19th St. between S. Kentucky Ave. to S. Moniteau Ave.
S. Osage Ave. between W. 16th St. to W. 19th St.

Chip and seal is a process of placing a coating of road oil on the existing city street followed by a layer of fine crushed rock or “chips”. A roller is then run over the chips to embed some of them into the asphalt and hold the road oil in place. The layer of crushed chips including some loose chips remain on the street to prevent “bleeding” through of the oil to other surfaces, such as vehicles. The remaining loose chips are later swept up, routinely within 7 days dependent on weather conditions and equipment availability.

We apologize for any inconvenience as we work to improve the streets in Sedalia. The work contained in this announcement is weather and equipment dependent, so changes may occur from time-to-time. For questions about streets or to report a pothole or other roadway problems, please contact the Public Works Department at (660) 827-3000 ext. 1166.

When: Aug. 24 through Aug. 27, 2020, weather and equipment permitting
Where: Various Streets in Sedalia
Why: Lane Restrictions for Roadway Maintenance
