FOR IMMEDIATE RELEASE
2:30 P.M. CDT, October 14, 2016

CITY OF SEDALIA STREET CLOSING EAST 13TH AT SOUTH INGRAM AVENUE ACCESS TO BOTHWELL REGIONAL HEALTH CENTER EMERGENCY DEPARTMENT ENTRANCE AFFECTED OCTOBER 18 – 19, 2016

(SEDALIA, MISSOURI): The City will be closing East 13th Street at South Ingram Avenue to eastbound traffic beginning at 8:00 a.m. on Tuesday, October 18, 2016 until 5:00 p.m. on Wednesday, October 19, 2016 for utility work. The utility work will be completed within a few hundred feet of the intersection and does affect traffic in the vicinity of Bothwell Regional Health Center.

Emergency Department traffic routinely using East 13th Street to access the Emergency Department entrance will detour to East 12th Street then to South Hancock and from South Hancock back onto 13th Street. The Emergency Department's entrance will remain open and accessible throughout the work.

Residents who access their driveways or who park along the curb in the affected block will need to find alternate parking either on side streets or off their alley during this period.

We apologize for any inconvenience as we work to improve the quality of utility service in this area. Please note that this work is dependent on weather conditions and may be delayed due to rain.

When: Starting at 8:00 a.m. on Tuesday, October 18, 2016 until 5:00 p.m. on Wednesday, October 19, 2016
Where: East 13th Street at South Ingram Avenue
Why: Closed for utility work
