FOR IMMEDIATE RELEASE
4:00 P.M. CDT, November 29, 2016

CITY OF SEDALIA TO REMOVE GLASS RECYCLING CONTAINER FROM THOMPSON HILLS SHOPPING CENTER EFFECTIVE NOV. 29, 2016

(SEDALIA, MISSOURI): The City of Sedalia will be removing the glass recycling container from Thompson Hills Shopping Center, effective immediately today, November 29, 2016. Due to increased illegal dumping of trash at the site, the property owner has requested the City find another location for the glass recycling container. Glass recycling containers remain available at the 1002 S. Massachusetts Avenue drop-off site and at the City's Materials Management Site at 27882 Highway U, Sedalia, Missouri 65301.

The city will be placing another glass container once a central location has been finalized and will make an announcement on its location in the near future.

The City would like to thank Thompson Hills Investment Corporation for being a long standing community recycling partner. Thompson Hills provided not only the location at the shopping center, but also the fencing for the drop-off site to ensure community members were provided a place to recycle.

For questions about recycling, please contact the Public Works Department at (660) 827-3000.

When: November 29, 2016
Where: Thompson Hills Shopping Center – Recycling Drop-off Site
Why: Glass Recycling Drop-off Site Closed
