

PUBLIC NEWSLETTER FOR THE CITY OF SEDALIA

IN THIS ISSUE

The 2017 Citizens Surveys are being collected and many citizens have stated they are not aware of the twice-a-month yard waste and trimming collection service.

The City has a yard waste drop-off site; however, if you are unable to transport your debris to the site, a leaf, yard and tree trimming collection service is available from March through November. This bi-monthly collection service is available to citizens of Sedalia as an optional service at an additional fee.

DO	PLACE leaves and yard debris in large biodegradable paper bags
DO	TIE branches with string: 3' max. length, 1" max. diameter, weight limit 25 lbs.
DO	PLACE bags and branches at curbside by 6:00 A.M.
DO NOT	USE garbage or plastic bags of any type, as materials are composted.

The fee per month is \$2.00 and a senior discounted rate of \$1.70 per month is available for those individuals age 60 and over. Biodegradable paper bags for leaf and yard debris disposal can be found at general merchandise retail

stores and hardware/home improvement stores
