VISION STATEMENT

Dynamic life and
Comfortable living in
Greater Missouri

MISSION

The City of Sedalia is committed to meeting the needs of our community through professional leadership and operational excellence.

We deliver efficient, quality municipal services, create opportunities for growth and protect the quality of life that makes our community a desirable place to live.

A reminder – City residential recycling services are available to individuals residing outside the corporate city limits of the City of Sedalia for an annual fee of \$64. This provides individuals not residing in Sedalia with an alternative to landfilling reusable materials accepted by the City of Sedalia for recycling. For a list of recyclable materials accepted and those not accepted, please visit www.cityofsedalia.com

While recycling is the environmentally "right thing to do," the City is required to offset its costs of collecting, transporting and having the materials processed for reuse through collection of a fee for the service. The recycling fee is required as the costs for collection and processing of recyclable materials routinely exceed the moneys generated from sale of such material for reuse.

The form and annual recycling fee must be paid and the decal placed on the individual's vehicle prior to any material being delivered to the recycling location. The form and fee may be hand delivered to or mailed to City of Sedalia Finance Department, 200 S. Osage Avenue, Sedalia, MO 65301. After payment of the applicable fee and upon receipt of the recycling decals, individuals may begin delivering residential recyclable materials to the City of Sedalia's Materials Management Site at 27882 Highway U, Sedalia, Missouri. Each household paying to recycle materials will receive two (2) recycling decals to be displayed in the rear window of the vehicle(s) delivering recyclables to the drop-off site.

Happy New Year from Clyde and everyone at the Sedalia Animal Shelter!

Clyde is an expressive, lovable 4 year old Basset Hound/Spaniel, English Cocker mix. He is already neutered so he is ready to go home with you today!

On a frigid night on December 28, 2017, nine puppies were abandoned in a cardboard box on the side of a City roadway. Thanks to the quick response of Barbara Hayden and staff at Thompson Hills Animal Clinic, all of the "Nifty Nine" were able to receive the puppy care needed in order to be placed for adoption.

The last puppy from this adorable litter went to his new home on Tuesday, January 9, 2018!

SHELTER STATS

For the month of December, the Sedalia Animal Shelter had 55 adoptions, 12 return to owners and 4 transfers. Their live release rate: 96%

For the year of 2017, the animal shelter adopted out 502 pets, returned 215 to their owners and transferred 125 pets to other shelters/rescues.

City of Sedalia to Observe Martin Luther King, Jr. Day

The City of Sedalia will be closed on Monday, January 15, 2018 in observance of Martin Luther King, Jr. Day.

Weekly trash pickup for the week of January 15, 2018 will follow the normal collection schedule. The Materials Management Site at 27882 Highway "U" will be closed on Monday, January 15, 2018. City offices including the Materials Management Site will re-open for normal business hours on Tuesday, January 16, 2018
